Standing in rear is Fran Willie, chief of headquarters services in the Oak Ridge Civil Defense setup who is in Contract Administration Engineering. Then seated in the front row at the telephones are, from left, Ron Stenglein, also of Contract Administration Engineering; Mabel Tyer and Mary Cusman, both of the Superintendents Division.

ANOTHER Y-12ER DOING HIS BIT FOR CIVIL DEFENSE IS J. S. ELDER, left, Process Maintenance, working with G. H. Hudson, Oak Ridge Gaseous Diffusion Plant, at the Civil Defense FM radio equipment. This type of communication will be most important in case of emergencies.

Y-12ers And Other Carbide Employees Active In Promoting Civil Defense Program In Ridge

Several Hold Responsible Posts, Others Volunteer Services In Rank And File Work

(More Pictures On Page Four)

Oak Ridge observed Civil Defense Week last week—and from some reports the observance was accompanied by considerable confusion and mistaken ideas of "what to do when disaster strikes."

However, one thing was crystal clear—that Y-12ers and Carbide employees at other Company installations in Oak Ridge were marching right along with the leaders in the Civil Defense program in the city. The roles played by Carbide folks is typical of the community spirit evinced when serious moves are considered.

In the current Civil Defense setup in Oak Ridge, several responsible posts are held by Y-12ers and other Carbide men and women. Many others hold down rank and file posts as volunteer workers—in fact none are paid.

Y-12 Women Among Volunteers

For instance on Sunday, December 6, four Y-12 women employees joined other volunteers to conduct a telephone survey of Oak Ridge to ask citizens a series of 10 questions as to what they would do in case of an enemy air attack or other emergency. A total of 172 calls were made at random—some persons were at a loss for answers while others had a general idea as to what their course of action would be.

This group of women volunteers were operating under direction of Fran Willie, of the Y-12 Contract Administration Engineering Department. She holds the post of Chief of Headquarters Service in the CD program. Other Y-12ers in the telephoning group were Ron Stenglein, also of Contract Ad-

Then there are two men stalwarts from Y-12 in the overall program. One is John W. Wachter of Radiation Safety, who has been named Assistant CD Coordinator for Training; and Arthur F. Ogden, Buildings and Grounds, who is a veteran at the CD work. He is Chief of the Heavy Rescue

Prompt Attendance Urged At Y-12 Holiday Parties As Record Attendance Is Indicated At Each Affair

Demand For Tickets Continues To Rise

With a new high record number of guests expected at both the series of Carbide Children's Christmas Parties and the Y-12 Dance within the next few days, the holiday spirit is sweeping the plant to insure a merry, merry time for youngsters of Y-12 parents and their elders. The Carbide Children's Christmas Parties are slated for 10 a.m., 1 p.m. and 3 p.m. next Monday and Tuesday, December 21 and 22 at the Oak Ridge High School auditorium and also at 11 a.m. Monday, December 21, at the Gamble Valley School gymnasium. The annual Y-12 Christmas Dance will be held from 9 p.m. to 1 a.m. on Friday night of this week, December 18, at the Oak Terrace ballroom.

The indication of new attendance records at all of the holiday festivities is based on the fact that applications for the kiddies' parties have been flowing in at an unprecedented rate and the advance sale of dance tickets also is exceeding expectations.

As a result — all Y-12ers are urged to be particularly prompt in their attendance at all of the festivities, especially at the youngsters' parties. Because of the seating capacity of approximately 1,500 persons at the high school auditorium it is most important that parents sending their children to the six parties there be sure they are there on time. Every parent also should check the tickets they hold and be certain that their small fry are attending the party called for by the ticket they have been issued.

As of last Friday tickets were exhausted for the 10 a.m. parties on both Monday and Tuesday and also at 1 p.m. Monday. Late applicants had to settle for their second choice of times, or if no preference.

TWO LONG WEEK-END HOLIDAYS COMING UP

Two long week-end holidays are upcoming for Y-12ers and other Union Carbide Nuclear Company employees in Oak Ridge. The Christmas Day holiday will be observed on Friday, December 25, and New Year's Day on the following Friday, January 1, 1960, also will be a holiday. No employees will be required to work on those days except those required for the continuous operation and protection of the plant.

Bulletin Planning Special Christmas Week Edition

In accordance with the custom of the past several years, The Y-12 Bulletin will not be published during the last week in December. However, The Bulletin is preparing an eight-page special Christmas edition which it is hoped will be distributed to all Y-12 homes before Christmas Day. This Christmas edition will be printed on Friday, December 18, and all contributors and correspondents are urged to submit any material for publication in that issue as early as possible, preferably by Thursday, December 17.

Following the Christmas edition of The Bulletin, the next issue of the paper will be put out on Wednesday, January 6.

YUMMY, YUM, YUM—here's the tasty articles that will be presented to some Y-12er or guest at the Y-12 Dance Friday night at the Oak Terrace ballroom. The fat turkey, tasty Georgia country ham and the luscious fruit cake will be offered as door prizes at the shindig.

Three Y-12ers Receive December Promotions

Hardy, Wallace, Tilley Appointed As Foremen

R. J. Hardy R. P. Wallace, Jr.

Three Y-12ers received promotions to the post of foreman, effective December 1. They are Roy James Hardy, who was advanced from inspector in Production Inspection; Arnold Leo Tilley, elevated from machinist in the Beta Four Machine Shop; and Ruben P. Wallace, Jr., also promoted from machinist in the Beta Four Machine Shop.

Hardy was employed in Y-12 on January 11, 1954. He was born in Emhouse, Tex., November 29, 1913 and received his schooling there. Before coming to Y-12 he worked as a machinist and millwright with several leading Southern firms, including the Gulf Shipbuilding Corp., Mobile, Ala., during World War II.

Tilley has been a Y-12er since

Speakers from today, Wednesday, December 16, until Christmas Day, when the program will be concluded, are:

Wednesday, December 16 — Dr. Edward Galloway, First Baptist.

Thursday, December 17 — Dr. Paul Brown, Trinity Methodist.

Friday, December 18 — The Rev. Alonzo Simms, Oak Valley Baptist.

Saturday, December 19 — The Rev. Arthur Graham, Unitarian.

Monday, December 21 — The Rev. Robert D. Porter, Church of The Nazarene.

Tuesday, December 22 — The Rev. John Craven, Community Church.

Wednesday, December 23 — The Rev. J. T. Bearmond, Wesleyan Methodist.

Thursday, December 24 — Garland Elkins, Highland View Church of Christ.

Friday, December 25 — The Rev. Richard Smith, Glenwood Baptist.

REED-KENNEDY

Christmas Eve, Thursday night, December 24, has been chosen by Miss Joanna Reed for her wedding to James D. Kennedy, of the Y-12 Special Projects Department. The ceremony will be performed at 8 o'clock at the Ridge-dale Baptist Church with the Rev. Mr. Reed, pastor of the church, officiating.

The bride-elect is the daughter of G. W. Reed, 3715 Sisk Road, Knoxville.

Parents of the bridegroom-to-be are Edna Kennedy, of the Y-12 Medical Department; and her husband, Ernest, of Production Control. They live at 7112 Rockingham Drive, Knoxville.

Miss Reed attended Powell High School and the University of Tennessee. Kennedy graduated from Oak Ridge High School, then attended Tennessee Polytechnic Institute, Cookeville, Tenn., and the University of Tennessee at Knoxville.

Pay Checks For Monthly Employees Out December 18

As a Christmas convenience to all monthly paid Y-12ers, their December pay checks will be available on Friday of this week, December 18, at their regular pay points during the regular distribution hours. For all monthly paid employees who have their pay checks deposited in banks, the deposit date will be correspondingly advanced.

HOLLIMAN-McNAMEE

Solemnized at 11 o'clock Saturday morning, December 12, was the marriage of Miss Rita Marie McNamee, of the Y-12 Production Control Department; and John Bryan Holliman, who has just completed basic training at the Lackland Air Force Base at San Antonio, Tex., and now is in the Air Force Reserve. The wedding vows were exchanged at St. Mary's Catholic Church in Oak Ridge with the Rev. Thomas D. Woodley officiating, assisted by the Rev. William R. Regenold.

The bride is the daughter of George J. McNamee, Y-12 Cafeteria Supervisor, and Mrs. McNamee. They live on Route 2, Powell. Parents of the groom are Mr. and Mrs. Walter Orin Holliman, 205 Bunker Lane, Oak Ridge.

The bride was given in marriage by her father. During the ceremony nuptial music was presented by Mrs. Thomas P. Hamrick, vocalist, whose husband is a Y-12er; and Mrs. Emily P. Sniffen, organist.

For her wedding, the bride chose a gown of Chantilly lace with chapel-length train. Her finger-tip veil of illusion was held in place by a seed-pearl crown. She carried a bouquet of white gardenias and a pearl rosary, gift of her grandmother.

Miss Ann Elizabeth McNamee, sister of the bride, was maid of honor. She wore a floor-length gown of Christmas red velvet, while elbow-length gloves and a red velvet headpiece. Her flowers were white poinsettias in a white basket. Four bridesmaids wore identical dresses and headpieces of emerald-green velvet, white elbow-length gloves and carried white poinsettias in white baskets.

Serving as best man was Don Forrester, Oak Ridge. Ushers were Murray Moore, Allen Thurman, James Bryson and Jerry Houser, all of Oak Ridge.

A reception was held at St. Mary's Church following the wedding.

The bride attended Tennessee Polytechnic Institute at Cookeville, where she was a member of the Home Economics Club.

The groom attended Union College, Barbourville, Ky., and later graduated as an honor student with a B.S. degree in Business Administration at TPI. He is included in Who's Who In American Colleges and Universities and also was president of the TPI Accounting Club.

Out-of-town guests at the wedding included Mr. and Mrs. Otto O. Belt and Mrs. Margaret Belt, Shanks, W. Va.; Mrs. George J. McNamee, Sr., Bartow, Fla.; Mr. and Mrs. James M. McNamee, Winter Haven, Fla.; Mrs. Charles Gee, Nashville, Tenn.; Mr. and Mrs. John S. Espy, Panama City, Fla.; Dr. and Mrs. J. O. Cummins, Cookeville, Tenn.; Mr. and Mrs. Felix V. Holliman, Millport, Ala.; and Col. and Mrs. Richard P. Davidson, Wilmington, N. C.

The couple will live at Shelbyville, Tenn., where the groom will be associated with Ernst and Ernst, certified public accountants.

SHELTON-BLANTON

Exchanging wedding vows in a double ring ceremony on Friday night, December 4, were Miss Patricia Ann Blanton, of the Y-12 Utilities Department, and Jerry Shelton, of Newport, Tenn. The wedding was at 7 o'clock at the Trinity Methodist Church, Oak Ridge, with the Rev. Paul E. Brown, pastor, officiating.

The bride is the daughter of Mr. and Mrs. E. G. Blanton, 116 South Hickory Lane, Oak Ridge. Parents of the groom are Mr. and Mrs. Boyce Shelton, 233 Hillside Road, Oak Ridge.

The bride was given in marriage by her father. During the ceremony appropriate music was presented by Mrs. T. P. Hamrick, wife of a Y-12er, soloist; and Mrs. J. L. Petty, organist.

For her wedding, the bride selected a floor-length ruffled tier gown of Chantilly lace over white satin with long pointed sleeves and a Reata neckline outlined and decorated with tiny sequins. A crown of pearls held her veil of English illusion. She carried a white orchid on a white Bible.

Mrs. Judy Blanton, sister-in-law of the bride, was matron of honor. She wore a blue satin dress with streamers down the back and blue satin shoes. She carried a cross of pink carnations.

Bridesmaids were Misses Martha Connelly and Betty Lawson. They wore similar dresses of pink satin with streamers down the back and pink satin shoes. They each carried a cross of pink carnations.

Serving as best man was L. S. McKay, of Newport. Ronny Blanton, brother of the bride; and Ronny Cantrell were ushers. Both are from Oak Ridge.

Miss Linda Venable, of Oak Ridge, was flower girl and Terry Shelton, brother of the groom, was ringbearer.

A reception was held at the Trinity Methodist Church immediately following the ceremony.

Both the bride and groom graduated from Oak Ridge High School and she also graduated from the Massey Business College, Atlanta, Ga.

Out-of-town guests at the wedding included Mesdames Stella Hance, Eloise Chambers, Beulah McKay and Annis Hipshire, all of Newport; Mrs. Lucille Arnwine and Mrs. Billie Comer, Knoxville; Mr. and Mrs. Jim McLain, Harriman; and Nick Tronolone, Knoxville.

Following a wedding trip to Gatlinburg, the couple is at home

C'mon now, 'fess up—how many of you subscribers have finished your Christmas shopping? Have you brought appropriate gifts for Ma, Pa, Sister Sue, Brother Bob and Aunt Freeze?

Naw, neither has the Colyum Conductor—but he is going to take off right now on a tour of the premises to see what the rest of the world is doing—so hang on, here we go—

MAINTENANCE

Y-12ers in Research Services and others in the plant are being thanked warmly by C. L. Jones for their kindnesses and flowers after his father had died several days ago. . . . Meanwhile, the department extends sympathy to E. E. Fields, whose father died recently. . . . Likewise to R. E. Blank, whose father-in-law succumbed last week. . . . Get well wishes are rushed to ailing J. H. Wyatt and John Irvig. . . . Now for some cheery items. . . . I. Sharp spent his vacation happily becoming acquainted with his new son. . . . B. C. Harrington is spending a couple of weeks in Florida with his daughter, son-in-law and grandson.

O. C. Collins and R. Y. Ditmore, Electrical Maintenance, are out in the fields hunting some appetizing birds for their larders. . . . R. E. Stephens is just relaxing around home for a week. . . . Get well wishes to the misery-stricken folks go to Babs Stooksbury, L. R. Irwin, T. J. Anders and Sam King.

MECHANICAL OPERATIONS

The TW Shops send rapid recovery wishes to their sick roster—R. K. Carper, P. A. Fritts and H. E. Stout.

The Assembly Group of the Beta Four Heavy Machine Shop rolled out its welcome mat last week for newcomers L. R. Edwards, M. G. Helton, J. R. Pugh, V. H. Smallen, L. E. Stokes and F. J. Dillehay. . . . The Machining Group sent a similar welcome to B. F. Edwards and extends get well wishes to James D. Gill. The Weld Shop's Proud Pop of last week was H. C. Inman, who welcomed husky Terry Dwayne Inman into this troubled world at 11:55 p.m., Monday, December 7, weighing seven pounds, 14 ounces. . . . H. R. Hickman was welcomed back to work in the Press Shop after being hospitalized for almost three weeks from injuries suffered in an automobile mishap November 6. . . . O. R. Sanders is vacationing, cramming for his exams.

SHIFT SUPERINTENDENTS AND UTILITIES

E. B. Cox, Utilities, is vacationing and dividing time between hunting and working around his home. . . . C. F. Meadors is visiting kin folks up in Williamsburg, Ky. . . . J. H. Humphreys is visiting a son stationed down in Mississippi with the Army. . . . C. D. Langley took off to see his brother out in Denver, Col.

H. D. Duncan, of the Shift Superintendents' gang, is vacationing around home over on the Oak Ridge Highway.

CHEMICAL OPERATIONS

Beta Two reports that W. A. McNair vacationed quietly at home.

ENGINEERING

Pinch hitting for vacationing Frank Fuis in Mechanical Engineering last week was Eleanor Bennett, who informs friends of Leon Scalf that he is back on the job after a bout with a virus. . . . On vacations this week are Jack Anderson and Dewey Foulk—both very mum about their destinations. . . . A warm "Howdy, pal" was blasted out to newcomer Dick

at Apt. C, 120 West Hunter Circle, Oak Ridge.

Allen, from Knoxville, in the Beta Four branch of the MEs. . . . Note from the Colyum to Eleanor Bennett—"Thanks for the good work."

Now here comes another group of MEs with more news. . . . This gang reports that Beeman Fox deliberately saved his vacation for December so he could bribe Santa Claus to visit him. . . . Tommy Harris is vacationing down in Florida, and 'tis believed that he has hopes of finding a certain coded from the University of Florida to bring home with him—good luck, boy. . . . Lillian Higgins is welcomed back after an extended leave of absence.

Marshall Ward has returned from his winter vacation to Civil and Architectural Engineering—he went to the mountains to see some snow and then holed up at home to recover. . . . R. D. Thompson has taken off for Kentucky to return visits by Bluegrass State friends who came to see him last summer at his Watts Bar retreat. . . . J. O. Evans is wished a speedy recovery from some repair work done on his anatomy at a Knoxville hospital.

INDUSTRIAL RELATIONS

The many friends of Meta Butler, Personnel Records, extend their sympathy to her following the death of her brother, R. L. Davis, December 6 at Camden, Tenn.

George J. McNamee, the Cafeteria Conductor, got out of Oak Ridge Hospital last week just in time to attend the wedding last Saturday of his lovely daughter, Rita Marie, of Production Control. He indignantly denies he is being sought in the Payola probe on account of some of those records he has been disc jockeying for Y-12 luncheoneers all these months.

The Boys in Blue and Gray of the Fire and Guard Department welcome Guard C. L. Cotter back to work after his vigorous bout with the flu. . . . Guards A. J. Jeffers and J. T. Riddle plan to do some rabbit hunting this week while vacationing. . . . Guard Chief Miles Bradford and Capt. J. H. Shoemaker are home vacationers this week—trying to get square on that Christmas shopping, no doubt. . . . The whole group extends its sympathy to Chief W. O. Elam, whose father died recently at Centerville, Ala.

FINANCE AND MATERIALS

Robert Bass, Plant Records, visited in Virginia last week while vacationing.

Jackson, Tenn., is the vacation hideaway of J. M. McMaster, Engineering Records.

TECHNICAL

Jack McLendon, Radiation Safety, is vacationing at home in Oak Ridge this week—awaiting the arrival of S. Claws. . . . Also taking a December vacation is Art Stewart, whose plans seems to be "strictly confidential."

Special Testing has Dora Whalley on vacation this week—but didn't reveal her plans. . . . Helen Stepp is welcomed back to the department.

Y-12ers living in embattled Fountain City are reported forming a F. C. Horse Marines Home Guard to repel boarders at the Southern underpass on Broadway and the Sharp's Gap on Central Ave. Volunteers are solicited—bring your own weapons.

That's all—and don't forget that big dance Friday night at the Oak Terrace.

Pin Plasters Win Another Whitewash

The Pin Plasters took their second straight shutout win in the Mixed League of Y-12 men and women bowlers last week, the Phantoms being the latest victims. The win boosted the Plasters' lead by one point as the Toppers had to be content with a three-point win over the Cool Cats; dropping to a tie with the Scrappers, who blanked the Nip and Tucks for four. The Alley Cats gained a tie for the basement spot by licking the Goofers for three.

I. G. Speas, Cool Cats, led the men's scoring with a 223 scratch and 261 handicap game and 667 handicap series. Herb Oliver, a sub rolling for the Scrappers, came through with a 593 scratch series. On the distaff side four girls got into the high scoring act. Helen Clark, Goofers, rolled a 179 scratch game. Joann Kincaid, Phantoms, posted a 233 handicap game. Nell Jago, Toppers, registered a 477 scratch series and the top handicap series was 612 by Bonnie Reesor, Pin Plasters.

Y-12 Riflemen Split With ORNL Gunners

The Y-12 rifle team lost its first point of the season in the Oak Ridge Sportsmen's Association League as the Oak Ridge National Laboratory gunners gained an even break. The Y-12ers eked out a thrilling one-point win in scratch scoring by 1376 to 1375 but ORNL copped the handicap edge by 1448.896 to 1154.787.

Dave Dewalt again led the Y-12 scratch scoring with 283 out of a possible 300. He was followed by W. Davis 278, Carl Brewster 276, O. Cottrell 270 and E. Brady 269. In handicap scoring it was Davis 290.190, Brewster 288.953, A. Blay 288.693 and Dewalt 286.951.

lost a golden opportunity to go ahead in the race but had to settle for a tie with the Engineers at two points each. The Alley Cats further complicated the tight race by blanking the IBMs for four to make it a three-way deadlock for the top rung of the ladder after the timber stopped toppling.

In other matches the SPs climbed up the ladder by whipping the Chillers for four points and the Hookers tied a similar defeat onto the D Shift team to vacate the cellar. The Big Five stayed in contention for a high rating by taking three from the Knot Heads.

The blast by the Big Five was led by the veterans Ed Sise and Otis Rackley. The former carved out a 614 scratch and 668 handicap series after trying Rackley at 242 for high scratch game. Rackley had the top handicap game of 267. In team scoring it was the Big Five all the way with 976, 1110, 2666 and 3068 across the board.

ORGDP Pin Party Slated February 19

The annual Bowling Banquet staged by the Oak Ridge Gaseous Diffusion Plant has been scheduled for February 19, 1960. The affair will be held at the Oak Terrace, starting at 6:30 p.m.

Following the dinner an exhibition will be staged by the crack Budweiser bowling team from St. Louis, the national championship outfit of pinmen. The exhibition will be on the Oak Terrace Lanes. Tickets for the dinner and bowling exhibition will be on sale at the ORGDP Recreation Office for \$2.25 per person. All ticket holders are eligible for door prizes.

Know your security rules.

ONE OF Y-12'S MOST PROLIFIC fishermen is Fred G. Leon, Process Maintenance. Here he is shown with a fine striped bass he took from the Tennessee River recently, using a Hadaacol lure. The striper is entered in the Y-12 Annual Fishing Contest and will be a strong contender.

Swingsters Boost Classic Loop Lead

Although the Swingsters could only emerge with a two-point deadlock against the Playboys in the Classic League alley activities last week, they increased their lead by one point as the Bumpers fell before the Has Beens for three points. Featuring the Swingsters play was the high scoring of George Cantrell, who for the second straight week took all high marks on the board with a 256 scratch game, boosted to 274 with handicap, 687 scratch and 741 handicap series. The Swingsters also had top team scoring with a 1145 handicap game and 3018 handicap series.

In other matches, each decided by three points, the Sportsmen took the Eight Balls, Rebels routed the Tigers, Wasps stung the Screwballs, Rippers smote the Smelters and the Cubs conquered the Wolves. The Markers took two and one-half points from the All Stars.

Hi Balls Quench Cats' Win Streak

Beavers Make Another Threat In Bush League

The ingredients used to form the Hi Balls team in the Bush League of Y-12 bowlers proved most potent on December 7 when the Balls bounced on the loop-leading Alley Cats for three points to halt a long winning streak. The Beavers, deposed from first place the previous week, got back in contention by taking three from the Hot Rodders. The Rollniks rolled over the Alley Gators for a four-point whitewash and other three-point triumphs were posted by the Lucky Five over the Balls O' Fire and the Inspectors over the Nine Pins.

Eddie Maeyens, Alley Cats, took most individual scoring honors with a 220 scratch and 262 handicap game and 635 handicap series. A. E. Smith, Beavers, got into the act with a 556 scratch series. The Beavers hogged all team scoring highs with 914, 1062, 2546 and 2990 across the board.

Four Y-12ers Bowl With Meet Leaders

A bowling team with four Y-12ers as members took over first place in scratch scoring as of last Saturday night in the State Bowling Tournament at the Ark Lanes in Oak Ridge. The team represents the Little Construction Co. and the Y-12ers on it are Frank Zupan, Joe Pryson, Jay Holzknicht and Clyde Smith. When the scores were posted for bowling through Saturday night this group, with Herman Stewart, of Oak Ridge, as the fifth member, had a score of 2856.

Volleyball League Lead Is Deadlocked

Two Oak Ridge Gaseous Diffusion Plant teams staged the volleyball feature of the week last Thursday night with the MIT group beating the Spikers two games out of three. MIT took the first scrap by 16-14, the Spikers turned the tables by 15-13 and MIT reversed this score for the deciding game.

The Y-12 Eagles took it on the chin for two games from the ORGDP A Shifters 16-6, 16-7 but the Y-12ers rallied to take the

Lab Demons Lead Basketball Loop; Y-12 Team Beaten

Champs Win Overtime Tilt; Beta Fours Fall In Two Cage Contests

The Lab Demons basketballers from Oak Ridge Gaseous Diffusion Plant, Carbide League champions of last season, are making a strong early bid to repeat their feat this season. The smooth Demon outfit won two more games last week to take over undisputed possession of first place in the loop with three wins and no losses.

Best Game Of Season

In the best game of the young season to date on December 7 the Demons edged out another ORGDP team, the See Reds, by 50 to 44 in an overtime tilt. The See Reds rallied strongly in the final period to tie the tally at 43 points each after trailing all the way. Then the Demons went to work in the overtime to sew it up with a 6 to 1 advantage. McCall had 17 points, Cates 12 and Harris 10 for the winners while Davis posted 15, Cornett 11 and Rogers nine for the losers.

In their other win the Demons had to come from behind at half-time to cool off the ORGDP Hot Shots by 47 to 31. The Hot Shots had a 21 to 19 lead at intermission but the Demons turned on the heat to win going away. Woy with 13 topped the Demons' scoring, Hale had 11 and Box and McCall eight each. Graham led the Hot Shots with 10 and Delker and Crass tied at nine each.

Hot Shots Break Even

The Hot Shots broke even for the week by whomping the Y-12 Beta Fours by 48 to 43. The winners got away to a big first period edge and the Beta Fours just could not catch up. Bryson led the Y-12ers with 14 counters and also played strong defensively. Tripp had 11 and Vaughn eight. Crass paced the winners with 17, Graham had 11, Delker eight and Cook seven.

The Beta Fours lost their second game of the week by a big margin with the ORGDP All Stars sprinkling a 62 to 31 defeat on the Y-12ers. The All Stars sprinted to a 21 to 7 first period margin and led all the way. Eversole and Rodriguez each scored 19 points for the Stars and Bryson again was top man for the Y-12 quint with 15.

Four Y-12 Teams Idle

The Reactors of Y-12, the only Y-12 outfit with a victory in loop play this season, were idle last week as were the Y-12 Atoms, Hawks and Ramblers.

Prompt Attendance Is Urged At Parties

erence was given, take tickets for the parties for which the smallest number of applications had been filed.

6,786 Attended Last Year

The Carbide Children's Christmas Parties last year drew a total attendance of 6,786 adults and children — divided into 4,971 youngsters and 1,815 parents or other escorts. From the interest shown at Y-12 and the other two Company installations in Oak Ridge, it appears certain that these figures will be topped this year.

Up to last Friday 2,213 tickets had been issued to Y-12ers for the scheduled parties. Approximately 1,900 were given out last year.

A fine program of entertainment has been arranged for the youngsters. Several movie cartoons will be shown, a harmonica comedy act by the Barju Brothers, greetings from Santa Claus himself and distribution of gift stockings to every youthful guest will be offered for the pleasure of the children.

Gordy's Band Is Popular

Meanwhile, the grown-up Y-12ers already have "shuffling feet" in anticipation of the big dance Friday night at the Oak Terrace ballroom. Music for the shindig, by popular demand, will be provided by the famed Dixielander band, led by Papa John Gordy, from Nashville. This band will be making its third appearance at a Y-12 dance and grows more popular with each journey here.

In addition to the fun of dancing to the toe-tickling tunes of Papa John, guests at the dance will have a chance of drawing one of the three fine door prizes to be offered. A turkey, country ham and fruit cake will be given away during the evening — and any one of them would nicely grace any Christmas dinner table.

No Table Reservations

The proposal of promptness — stressed for the Children's parties — also is important for guests at the dance. The dancing will begin promptly at 9 p.m. As in previous Y-12 dances, there will be no advance table reservations made — so it will be first come, first served at the available tables and chairs.

For Y-12ers who have not bought their dance tickets — they will be on sale at the door for the regular price of \$1.50 per person, including tax.

So come on out for a night of fun Friday — and then take the kiddies to their party next Monday or Tuesday.

11th Y-12 Disabling Injury Recorded On December 10

The 11th disabling injury of the year to a Y-12 employee was recorded last Thursday, December 10, when an electrician in Mechanical Maintenance suffered a badly sprained right foot and ankle. The last time accident occurred when the Y-12ers foot was caught between an electrical transport vehicle and a pipe railing. The mishap ended a string of 894,000 man-hours without a disabling accident, extending over 24 days.

Three Y-12ers Receive December Promotions

November 4, 1953. Born in Tellico Plains, Tenn., June 25, 1925, he went to Wayne High School in Chicago, Ill. He farmed and went to school before World War II, when he served in the Army from 1943 through 1945. He was employed as a machinist in Chicago, Knoxville and Chattanooga before coming to Y-12.

Wallace has worked two periods of employment with Y-12. He first came to work as a guard on March 1, 1945 and was terminated under reduction in force July 15, 1948. He was reinstated with a continuous service date from October 14, 1948. He was born in Shreveport, La., October 29, 1926 and went through high school at Stonewall, La. He served in the Navy from 1944 through 1947 during World War II.

Tip to grooms—a wife thinks that if she doesn't ask her husband where the money comes from, he shouldn't ask her where it goes.

PROUD OF THE 115-POUND eight-point buck he bagged in a recent hunt on the Central Peninsula is E. E. Cook, Electrical Maintenance. Also admiring the prize is the Y-12er's son, Tommy.

Service which has the assignment of assisting victims trapped in demolished or damaged buildings in case of disaster. He has many Y-12 men working with him in this vital project.

Another Y-12er holding an important place in the CD setup is James S. Elder, Process Maintenance. He is Acting Chief FM Radio Operator, an important link in the vital field of communications.

ORNL Man Builds Shelter

Another Carbide man who was in the spotlight during Civil Defense Week is Plenny E. Brown, with the Health Physics Division of Oak Ridge National Laboratory. He has constructed a complete family fallout shelter at his home, 128 Orchard Lane, Oak Ridge. For years he has been interested in radiation fallout protection shelters and has participated in fallout tests in the Pacific and also in Nevada under auspices of the Atomic Energy Commission.

His shelter is constructed under a patio in his yard of reinforced concrete 18 inches thick under a three-foot covering of dirt. The room is eight by 10 feet in size, is six and one-half feet high and can accommodate four persons. The room is stocked with emergency rations and distilled water to last for two weeks. Ventilation comes from a tieup with the house air conditioning system. Entrance to the shelter is through steel doors from the garage which leads to steps descending to the room.

Miller Is CD Coordinator

George Miller is Oak Ridge Civil Defense Coordinator and is urging an active participation of more and more citizens in the work. In a terse statement recently, he said:

"In Oak Ridge Civil Defense is a part of the community disaster plan. This plan has clear objectives to minimize loss of life, injury and property damage from any type of disaster, to continue local government and continue all necessary services to residents."

To that objective — every Y-12er and Carbide employee in Oak Ridge should subscribe 100 per cent.

IRE To Hear Blankenship, Elect Officers Thursday

The Oak Ridge Chapter of the Professional Group on Nuclear Science of the Institute of Radio Engineers have scheduled an important meeting for tomorrow night, Thursday, December 17. The meeting will be at 7:30 o'clock in Room C, Oak Ridge Institute of Nuclear Studies.

J. L. Blankenship, of the Instrumentation and Controls Division of the Oak Ridge National Laboratory, will speak on "Energy Concepts in Electronics." Officers for 1960 will be elected at the meeting tomorrow night.

RELAXING IN HIS FALL-OUT SHELTER at his home, 128 Orchard Lane, Oak Ridge, is Plenny Brown, a Union Carbide Nuclear Company employee who has built the only shelter of its kind in the Atomic City. The shelter is of reinforced concrete under three feet of dirt in the Brown yard.

THE FALL-OUT SHELTER of Plenny Brown, a UCNC employee, is stocked with a two-week supply of food and water. Brown and his wife are checking the victuals. They also have laid in some books for reading matter.

Quality Control Group To Open Program Series

be "Quality Control in a Hosiery Mill." He will relate his first-hand experiences on mill-type quality control.

He will be followed on the program by Roberta McCutchen, a chemist in the Analytical Chemistry Division of the Oak Ridge National Laboratory. Her topic will be "A Simplified Linear Regression Method." She designed and installed the quality control program for the division and is not a stranger to the various aspects of the total quality control function. Mrs. McCutchen is a former Y-12er and her present work is in the Y-12 Plant Area.

The last speaker will be William H. Hall, of the Oak Ridge Gaseous Diffusion Plant. He is expected to deal with quality control functions that relate to his work at ORGDP.

Challenge or report strangers in your work area.

THIS BUMPTIOUS BLUE GILL was decoyed from its former home in Dale Hollow Lake by a live lizard bait wilded by Virgil Lovett, Electrical Maintenance. Entered in the Y-12 Annual Fishing Contest the fish is expected to be a strong contender for top honors in its class.
